

CAPITAL HASH

MESSAGE FROM THE COMMITTEE - 19 MARCH 2020

TEMPORARY SUSPENSION OF RUNS

The committee of Capital Hash has reluctantly taken the decision to suspend runs for the foreseeable future in the light of concerns regarding the spread of the COVID-19 virus. The decision was made in the interests of the members of the Hash, their families and the wider community.

There has been an unfortunate level of conflicting 'public' information, guidance and direction and the content is increasing in volume and changing rapidly. This makes it difficult to understand the extent to which this virus will spread and the effect on the wider community. However, it is apparent that congregating represents an incalculable risk with potentially serious consequences. The committee has therefore decided to take a conservative approach in the light of this situation.

The committee will continue to monitor the situation and provide updates. It is hoped that as the nature of the virus and its effects become clear the Hash may restart soon maybe with modified arrangements.

Wishing safety and good health to all and that we may soon be back.
