

Run 1821/2/3 The Russell / Barton / waterpark run @ the Carillion

You would think that after being institutionalised by an uncompromising Army for a couple of decades that Queen Latrine would have her shit together when it comes to organising a hash run. Its not like shes invading Poland or anything is it?

VENUE: Somewhere near the Carillion, but it could be nearer Russell, oh wait a minute, no, yes, no, yes, no, its closer to Barton, no, i think we ended up on the front lawn of the new ASIO building.

So there we were.... in RusbartiO, a smaller crowd tonight (possibly because there are still hashers roaming around looking for the venue). Cold it was, clear it was, convivial it was, and... The absolutely best run report was given to us by GREASENIPPLE. A meter by metre description of the run which took us through 5 suburbs via Mount Ainslie and Mount Pleasant, and touched on the topography, the demographics of the suburbs, the surgical procedures that the various hashers on the run have gone through.....absolutely fascinating. 2/10 HORSE then gave the walk report, talk about chalk and cheese. HORSE didnt actually do the walk that QL set as she was seduced away from trail in the first ten yards and never recovered. She wasnt going to be told what to do by some jumped up, green pajama wearing, map issuing, recently 40 year old ex GM, nosireebob. So HoRSE gave a bullshit report and scored it 2/10.

We sang one round of the Hare song

Returnees, Visitors and Virgins: RAMBO, MIXO and SCARLETT

CHARGES.

TUN, TUN Glorious TUN was conspicuous by its absence and replaced by some warm vietnamese urine (Hammer and Tongs, the same brand, coincidently, that was recently thrown over Tour De France leader Chris Froom).

QL was charged for vagueness in location, SCARLETT for having non intact backmarking chalk and WEATHERMAN for having intact chalk.

HORSE, INCIDER, WXMAN, GERBILS decided to have there own circle.

QL lost hashers in the first 100 metres, POOSHootA supplied low quality TUN taste a like, QL again for shit trail.

GERBILS for not self immolating, SQUATTER for inciting the actual Queen (E.R.11) into doing Nazi salutes

SCARLETT was installed as the temporary RA and then immediately charged with being a shit RA !!!! Dont you just love the hash.

COUNTERFEET charged POOSHootA in Fijian Indian and therefore was unintelligible to everyone in the circle.

GREASENIPPLE, uniquely, brought his own chips to a drink stop.

The big prick went to HORSE. COUNTERFEET 333, DH2 three something three, HORSE 63, MCTAF 103, QL, 103, SQUATTER 43, RAMBO 153. It was also SQUATTERS Birthday, and INCIDER was charged for being a dirty dobber.

CRACKERS is still going

Good health to you all, On On
