Other important questions/ points to be made are as follows;

- The committee will confirm in due course the weekend Hash costs, which will be similar to other weekend aways minus the accommodation costs. As we have not had one of these in a while a commemorative T-Shirt will be part of the goodies.
- If you make a booking and you decide that you cannot come, if you unbook more than 1 month away, you will get your deposit back or a future credit.
- Presently CHHH and close contacts have priority but it will be advertised widely to other Hash groups/ Canberra Hashers in mid-August, so make your booking now/early.
- It is OK to book a different villa/ cabin/ site to what we have reserved. Just quote CHHH and my name "Wayne Pethybridge" and insure you get the cheap prices.
- Any questions, just contact Gerbils on 0481 268 598 / wpethybridge@fastmail.fm and he will surely be able to help you with your question.
