

Capital Hash House Harriers – Run 2078 - Sunbean Wanniasa Wander - Wanniasa

After finally getting the run location sorted the run was set from Sunbean's home. It was good to see bribery for reporting was being conducted with a socially distant bucket and individually wrapped packets of chips at the end. The run actually had a walker's component, finally, as well as a Hash vista, very nice.

A good Zoom Circle with much merriment.
