

Capital Hash House Harriers – Run 2076 - Gerbils Virtual Run - Isaacs

The pack again gathered over two days and socially distant running and walking occurred around the hills of Isaacs and Farrer. Although many are taking advantage of the stonking weather at 2pm or thereabouts on Sunday. Gerbils only real flaw was the distance, what was he thinking, 7.2 km!

The Zoom Circle continued really well with 18 screens present and over 20 hashers. Scarlet still sounded like he was speaking from the bottom of a toilet! Poo Shooter cracked the whip for the esteemed GM and the circle proceeded. The backdrops are becoming more prevalent, although the continuous loop of Gerbils frolicking behind Squatter was a constant distraction! Also full marks for Hidden Flagon pushing Drunken Tiger overboard. There was also a guest appearance by Darth Vader for May the Fourth be with you.

Run Report – Meat (yes really) It had a drink stop a score of 5. Scarlet –after a small whinge about something, complemented the drink stop a score of 9 (WTF)

Walk Report – Suellen Very long walk, well-marked and a nice day and as an added bonus picked some mushrooms (are you still alive JR and Suellen?), given a score of 4.69. The GM then intervened gave the run a score of 3.19, a plus, for Gerbils, who would have thank it!)

Returnees – Mixo
