

Capital Hash House Harriers – Run 2074 - Box Virtual Run - Yarralumla

The pack gathered over two days and socially distant running and walking occurred around the streets of Yarralumla and Deakin. This was the first test of hashing within the Covid-19 rules and was an absolute winner. Many hashers did the trail and took the time to take interesting (and not so interesting) photos along the trail.

The next test was the Zoom Circle, this worked flawlessly, except for Scarlet who sounded like he was speaking from the bottom of a toilet! Poo Shooter cracked the whip for the esteemed GM and the circle proceeded

Run Report – A good run with check backs and all the trimmings, given a good score of 5

Walk Report – Very long walk, with the hare lying about it being 5k, when in fact it was 6.2. Well marked and good views, given a score of 3. The GM then intervened on his own behalf and gave the run a minus to get it below zero, there stupidity for you!

Returnees – OMG, how many members came back for the virtual Circle, it was amazing, welcome back, Friskies, Hello Kitty, Distemper, Free Willy, Hot Links, Floo Moo, Meat, just to name a few
